

## Instructions for A2 envelope by Beauty Observed.

1. Print out the pdf file "A2-template" at 100% on the paper of your choice.
2. Carefully trim out the flat envelope shape.
3. Fold the two side flaps in toward the center of the envelope. They should overlap each other by about 1/8 of an inch. Use a glue stick or similar to adhere this overlapping area together.
4. Fold the bottom flap up toward the center and secure it to the folded in side flaps with a dab of glue.
5. Insert your card and fold down the top flap. Seal with a bit of glue or a sticker.
6. Enjoy!
